7 MASTER DE BOULDERING

RELEASE OF RESPONSIBILITY AND PROTECTION

In the sole act of signing the subscription form, the participant:

Declares under oath that he/she is mentally and physically able to understand and accept with his/her will-power what is stated in this entire document, and, that he/she is medically fit and duly trained to perform the activities which will take place at the "SEVENTH MASTER OF BOULDERING THE NORTH FACE" (hereafter "The Test") to take place at Parque Bicentenario de Vitacura, Santiago, Chile on March 21st and 22nd, 2014 and is willing to accept any decision from the judge in "The Test" regarding his/her capability to fulfill it safely.

At the same time, declares under oath that before taking "The Test" she/he have been put through a medical check and, in consequence, she/he is in optimal shape to participate in "The Test", and takes on his/her own responsibility-all the implying risks related with it -including without restraint-falls, injures, illness, contact with other participants, weather conditions and consequences, such as temperature and/or humidity, means of Transport and road conditions-, all of which are well known and taken into account by the participant.

Acknowledges that The North Face, and/or its related companies DO NOT take any charge or responsibility for any claim against the organizers and/or the sponsors of "The Test", the volunteers, government institutions and representatives, current or future, regarding any kind of damage including - without restraint- both physical or moral he/she might endure, with the occasion of the physical activity in which I will participate.

Understands that the organisation or the producers may suspend or postpone "The Test" date, or increase or diminish the amount of subscriptions for security, technical or structural reasons. Participants will not be refunded once subscribed if they decide not to participate in the event, whatever the reason.

The competition technical rules are also part of this document, and can be found in the following website:

https://www.ifsc-climbing.org/images/World_competitions/Event_regulations/140121_IFSC%20Rules-2014_VF.pdf

Having read this conditions and statements, I hereby release the organisation and the producers for any complaints, including robbery, or any kind of missing articles / personal possessions may occur during "The Test". On the same order, he/she accepts that the organization and/or producers will not be liable for fires, short-circuits, or any unforeseen event whichever its cause, damages/injuries caused by third-party fights, altercations or riots that may happen before, during or after the closing of the "SEVENTH MASTER OF BOULDERING THE NORTH FACE".

In Santiago, on 21st and 22nd March 2014, having read carefully, understanding and analyzing the above mentioned conditions on the application, he/she declares his/her agreement with this document which means a fully and unconditional acceptance of its content.

AUTHORIZATION AND RIGHTS CESSION OF IMAGE AND VOICE

“The Participant” clearly authorizes the organizers and /or sponsors of “The test” to use any means of registration of the event, and- to take his-her photos and images, to be filmed- recorded his-her voice, sounds, conversations and/ or testimonies-once he, she is registered in “The Test”- thus being used in any legitimate activity. Also, he clearly authorizes the organizers and/ or sponsors to make public his, her personal and/ or biographical data related with “The Test”. Tacitly understood is the fact that the participant’s privacy- or his her family’s vulnerability will never be damaged. Therefore, the participant agrees the cession of his her rights- free of charge and irrevocable- in favour of the organizers, or sponsors-regarding his her image, name and voice to be used in all means of communication, including internet, once he has been registered in The Test and /or participates in it- without any kind of charge.

The participant acknowledges the fact that the material provided constitutes the organizers /or sponsor’s property- and that this authorization will not lapse-in time and all the photographs, images or sounds of any kind being obtained in “The Test” together with personal and biographical data of the participant-could be used at any time and the organizers-or sponsors could even be shared with third parties even after “The Test” has concluded. The Participant understands that this is a legal and important document concerning his her participation In “The Test” and by signing it- he firmly resigns- hereunder- to his right to sue or claim against it, regarding “The Test”, the Cession of rights and/ or the use of his her images, voice and personal data.
